

AMELIA ADAMS

ENGINEERING

GENERAL INFO

Mechanical Engineer with 6+ years of experience in lightweight materials innovation, production, and maintenance. Possess a B.S. in Mechanical Engineering from Really Great University. Seeking to leverage my knowledge, leadership abilities, and materials development competency in the role of Senior Mechanical Engineer for Ingoudé Company.

EDUCATION

2008-2012

Master Degree of Project Engineering

Followed my passion in Product

- *Design and Manufacturing coursework*
- *Pursued an independent study program in Machine Layout Design.*

2012-2014

Mechanical Engineer at Warner & Spencer

Completed 2 years course in Really

Great University. Graduated with distinction (GWA 3,8).

Increased production efficiency

by 15% by strategically minimizing bottlenecks

WORK HISTORY

2014-2016

Mechanical Engineering Apprentice at Thynk Unlimited

Researched new materials-generation

- *techniques, compiling and distributing an average of 3 reports/year to engineering team*

2016 - Present

Mechanical Engineer at Warner & Spencer

Worked with a team of 10+ to ideate,

create, maintain, and update lightweight

materials, working primarily with

carbon fiber composite
