

Alexander Bennett

ENGINEERING

GENERAL INFO

Mechanical Engineer with 6+ years of experience in lightweight materials innovation, production, and maintenance. Possess a B.S. in Mechanical Engineering from Really Great University. Seeking to leverage my knowledge, leadership abilities, and materials development competency in the role of Senior Mechanical Engineer for Ingoude Company.

EDUCATION SUMMARY

Really Great University (2012-2014)

Master Degree of Project Engineering

Completed 2 years course in Really Great University. Graduated with distinction (GWA 3,8).

Really Great School of Economics (2008-2012)

BS in Mechanical Engineering

Followed my passion in Product Design and Manufacturing coursework. Excelled in Mechanics and Materials.

WORK HISTORY

2016-present

Mechanical Engineer at Warner & Spencer

Worked with a team of 10+ to ideate, create, maintain, and update lightweight materials, working primarily with carbon fiber composite

2014-2016

Mechanical Engineering Apprentice at Thynk Unlimited

Researched new materials-generation techniques, compiling and distributing an average of 3 reports/year.
